Corporation for a declaratory ruling, )  
pursuant to 3 V.S.A. Section 808 and PSB )  
Rule 2.403, to interpret and define terms in )  
General Order No. 51 )

Order Entered: 9/10/2010

**ORDER EXTENDING EXPIRATION DATE**

On August 31, 2010, Central Vermont Public Service Corporation ("CVPS") moved to amend the Vermont Public Service Board's ("Board") August 31, 1995, Order, that interpreted and defined terms in General Order No. 51 relating to transmission and distribution line construction. Specifically, CVPS requested that the Board extend the expiration date of the Order to August 31, 2011, or until formal rules are adopted amending General Order 51, whichever occurs first. No comments were received on CVPS's request.

We find, as we have previously, that CVPS's request is reasonable. The expiration date of our previous Orders, is extended until formal rules are adopted to amend General Order 51, or until August 31, 2011, whichever occurs first. We incorporate one condition, which the Department of Public Service had previously requested: CVPS must notify the Board and the Department of any 34.5 kV distribution line projects that it intends to commence while this Order is in effect.

**So ORDERED.**

Dated at Montpelier, Vermont, this 10<sup>th</sup> day of September, 2010.
